

Debate Age 5-7

Our Debate course for students age 5-7 aims to meet the following objectives at an age appropriate level.

- Demonstrate presentation skills in a formal setting
- Listen and respond appropriately to spoken language, including questions and feedback to presentations
- Use spoken Standard English effectively in speeches and presentations

The skills you will be taught in this 'It's Debatable' course will include:

- Making Effective Notes
- Understanding a motion
- How to be a confident speaker

To this aim, lessons will focus on the following learning objectives:

- Understanding what a motion is
- The difference between proposition and opposition
- How to plan a speech
- How to decide what to say
- Listen, Listen, Listen
- The basics of rebuttal
